Application to transfer DTU courses to current enrollment

If you previously have been enrolled as a **guest student** or under **Open University**, you can apply to have courses transferred to your enrolment as a full degree student.

Transferal of courses requires (1) that the courses are not considered part of your grounds for being admitted at DTU and (2) that the courses are at the right level and are compatible with your programme specifications.

Please send the completed form from your student e-mail to merit@adm.dtu.dk.
