

SETIING UP MAGICAD

CONTENT

Installing MagiCAD	1
Activating MAGICAD	6

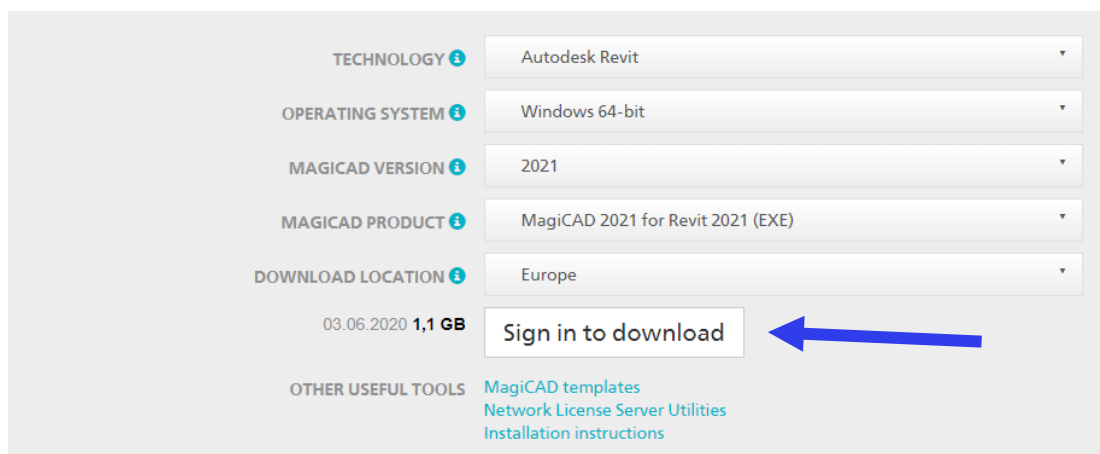

INSTALLING MAGICAD

1. Through you web browser (Chrome, Internet Explorer eller andet) go to website:
<https://portal.magicad.com/Download/GetProductCategoryList?categoryId=1>

Remember to select Autodesk Revit under Technology (default is set to Autodesk AutoCAD).

Download MagiCAD

Welcome to the MagiCAD download page. To download MagiCAD installation package, define Autodesk technology and operating system, select the MagiCAD version, download site, MagiCAD product and sign in to begin download.

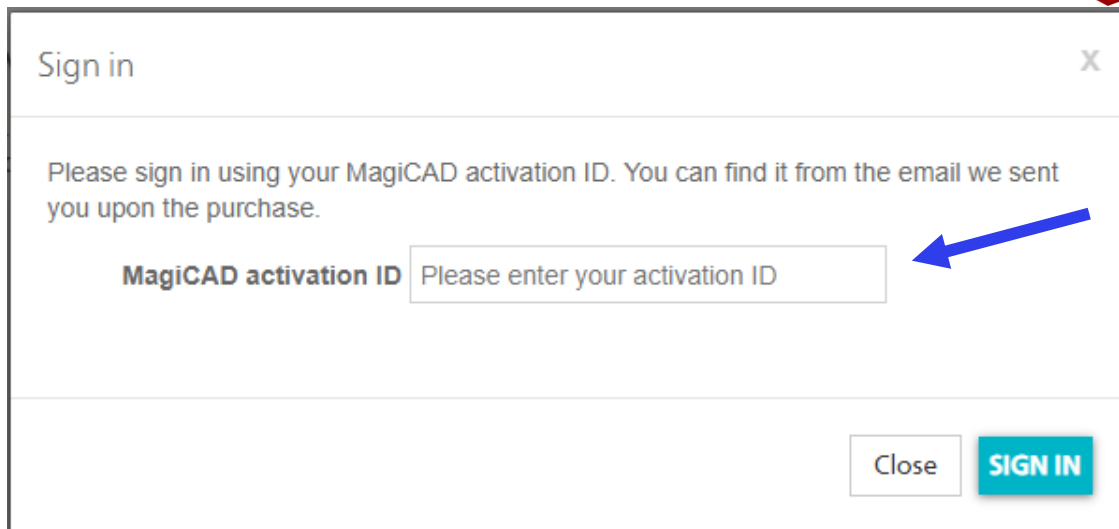

The screenshot shows a web form with the following fields:

- TECHNOLOGY: Autodesk Revit
- OPERATING SYSTEM: Windows 64-bit
- MAGICAD VERSION: 2021
- MAGICAD PRODUCT: MagiCAD 2021 for Revit 2021 (EXE)
- DOWNLOAD LOCATION: Europe

Below the fields, it displays "03.06.2020 1,1 GB" and a "Sign in to download" button. A blue arrow points to this button. Underneath, there are links for "OTHER USEFUL TOOLS": MagiCAD templates, Network License Server Utilities, and Installation instructions.

Click Sign in to download.

2. Insert MagiCad activation ID:
Act-accebec1-c5e6-46d4-bae0-fec55408b9c9-0
 and click Sign in.

Sign in

Please sign in using your MagiCAD activation ID. You can find it from the email we sent you upon the purchase.

MagiCAD activation ID

Close SIGN IN

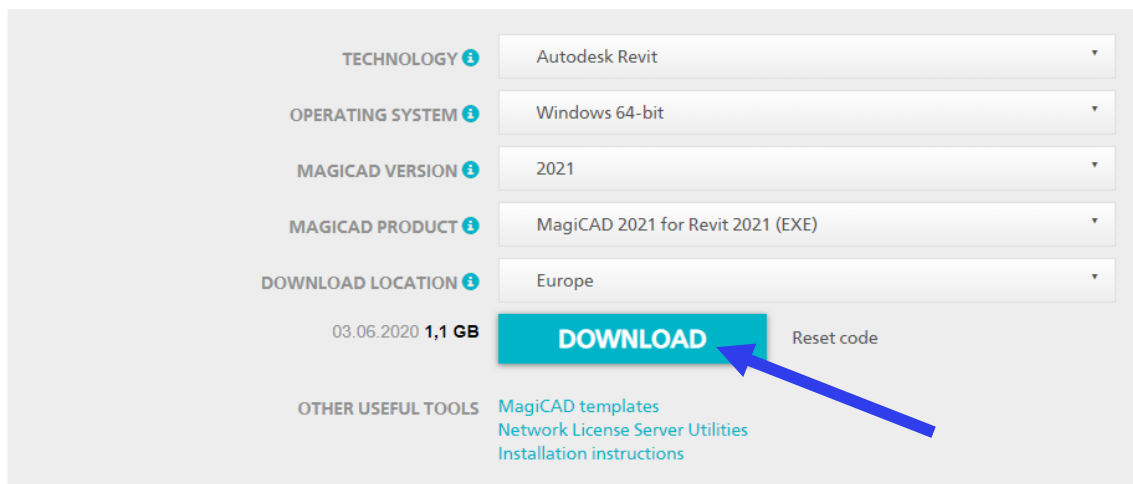

A blue arrow points to the activation ID input field.

- After login you will get this screen.
Remember to select Autodesk Revit under Technology (default is set to Autodesk AutoCAD).

Click Download.

Download MagiCAD

Welcome to the MagiCAD download page. To download MagiCAD installation package, define Autodesk technology and operating system, select the MagiCAD version, download site, MagiCAD product and sign in to begin download.
