

Election at DTU starting on 1 January 2026

Valg til DTU's bestyrelse og kollegiale organer med funktionsstart 1. januar 2026

The election concerns the following committees and electoral groups:

- Academic Council: 3 student representatives for 1 year
- DTU's Board of Governors: 1 student representative for 2 years
- Department Study Board: student representatives for 1 year
- PhD Committee: PhD representatives for 1 year
- *Interdisciplinary Education Committees (CUU and DUU): students for 1 year (held in January 2025 amongst the members of the Study Committees).*

Contested vs. uncontested election

An election is considered uncontested when the number of registered candidates matches the number of available seats on a committee, board, or council.

Below, we first list the elections that will be determined through a contested election. These elections will take place from November 18 to 20 through this [link](#). More info will follow on Inside and student.dtu.dk.

Following, we outline the elections that have already been decided through uncontested elections.

Please note some PhD committees still have one or more vacant positions.

Kampvalg eller fredsvalg

Når antallet af anmeldte kandidater svarer til antallet af pladser i et udvalg, nævn eller råd, vil der ikke blive afholdt en valghandling. I stedet er valget afgjort ved fredsvalg.

Nedenfor listes de valg, hvor der vil blive afholdt kampvalg. Disse valg finder sted fra den 18. til 20. november, og stemmerne afgives elektronisk via dette [link](#). Der vil komme mere info på Inside og student.dtu.dk.

Herefter følger de valg, der allerede er afgjort ved fredsvalg, samt dem, hvor der fortsat mangler kandidater.

Bemærk: Nogle ph.d.-udvalg mangler stadig kandidater for at blive fuldt besat.

Questions can be directed at valg@adm.dtu.dk.
